Originalz

The ultimate in Highland Dance slippers, supersoft, supple, cut neat to the foot and shaped to show your footwork to perfection. Make sure you buy the brand with the distinctive white lace tabs and white sole.

Shockabzorb

Protection from natural shockwaves through the foot, ankle, knee, thigh and hip joint. This amazing insole material actually swallows and dissipates 97% of the impact energy when your foot hits the ground giving a bounce to your dancing never before experienced.

Colourz*

With Colourz, the colour is built into the material so it won't rub off and is resistant to tearing, scratching and rubbing.

**Colourz subject to availability*
